

Freighter to paradise

THE DELIVERY ROUND

Hop aboard the 'Freighter to Paradise' and enjoy a wonderful cruise on the cargo ship that delivers essentials to some of the remotest spots in the South Pacific. The recently launched *Aranui 5* can take 250 guests, but often carries far fewer on her 14-day trips to all six of the inhabited Marquesas Islands plus stops at Takapoto, Bora Bora, Papeete and Rangiroa in the Tuamotu Archipelago. Islanders view this ship as a lifeline to the outside world, so expect a warm welcome. Wonderful snorkelling, wild hikes, excursions and jeep safaris are all laid on for the intrepid traveller.
